FOR MORE INFORMATION

Members of the Bradley Stoke and Patchway Neighbourhood Policing teams tried their skills at cricket recently.

On Sunday 9<sup>th</sup> August, a team of 1 Sergeant and 9 PCSO's took on local residents in a game of cricket.

Unfortunately the police team were bowled over by a final score line 202 to 160. We hope to arrange a rematch soon, so we can even the score.

We consider any sort of opportunity to improve contact with our local residents. Please contact a member of the team if you would like us to get involved.

We have recently played football with local youths and assisted a local school whilst attempting to break the walking bus world record.

## Speeding

We are still looking for volunteers to set up a Community Speedwatch.

We still need more residents to come forward, who are willing to help.
