Please find some advice below or for further information please go to the website given below.

- Lock up and set the alarm in the evening as well as when you go out.
- Seem in when you're out by setting a timer switch to turn the lights on at dusk.
- Post code your valuables and register them for free at [www.immobilise.com](http://www.immobilise.com) – it could help convict a burglar and return your property.
- Keep your keys and handbag or wallet hidden safely out of sight.
- Join or set up Neighbourhood Watch.
- Call police immediately if you see anything you think is suspicious.
- Make sure ladders and tools are secured otherwise a thief could use them to break into your home.
