ERNIE BROWN SELECTED FOR BY-ELECTION

Ernie Brown, has been selected to be the Conservative candidate at the Meadowbank by-election on the 26th November

Ernie has lived in the local area for over 20 years, having seen the growth in Bradley Stoke and he wants to give something back to the community.

Ernie spent 22 years as an Aircraft Engineer in the Royal Navy, before working at Airbus in Filton for 20 years.

Jack Lopresti, the prospective Conservative MP for Filton and Bradley Stoke, supports Ernie's campaign saying, "Ernie is a caring and dedicated local resident who cares deeply about this town. He will make a great representative for the area."

Ernie said, "Over the last couple of years the local Conservatives have been working hard to improve local facilities from increasing investment in youth provision to campaigning for a Bradley Stoke 6th Form. I want to ensure that this progress continues for the benefit of the whole town."

KEEPING BRADLEY STOKE SAFE

Ernie Brown is concerned by anti-social behaviour and how it is affecting local residents

Local Conservatives are helping to fight crime and anti-social behaviour by strengthening the local police team.

Conservatives on South Glos Council have provided funding for an extra full-time Police Community Support Officer (PCSO), and Bradley Stoke Town Council has helped to fund a part-time police officer.

Ernie said, "Local Conservatives are increasing the police presence on the ground, so we can tackle crime and anti-social behaviour."

RECORD INVESTMENT FOR YOUTH FACILITIES

Local Conservative candidate **Ernie Brown** has welcomed the record investment made by Conservatives on Bradley Stoke Town Council.

Conservatives have managed to increase the budget for youth provision to record levels and are working more closely with South Gloucestershire Council to provide better facilities for our young people.

Ernie commented, "As a father and local resident people have always said to me there is nothing for young people to do. I welcome the increased funding in providing better facilities for our young people."
