## Pub Watch in your Area

We would like everyone to know that Pub Watch is now up and running in many of the pubs in Bradley Stoke and neighbouring areas Stoke Gifford, Little Stoke and Patchway. PC Steve Palmer has been working with the local pubs over the last few weeks to set the scheme up. The pubs currently part of the scheme are: -

The Bradley Stoke, The Three Brooks, The Baileys Court, The Travellers Rest, The Parkway Tavern and The Beaufort Arms.

All pubs will be working together with the police to deal with any issues including anti-social behaviour, using and dealing drugs, assaults, criminal damage or any other issues that may arise.

Anyone found causing a problem in one pub, will be **BANNED** from all pubs listed for a period of 3 to 12 months and could lead to an ASBO.

## Anti Social behaviour update: -

1. After causing damage within the Bradley Stoke Leisure Centre, we have had several youths spending time during the half term holiday cleaning the car park and gym equipment. This was a joint decision after a Restorative Justice meeting held between all parties last month.
2. One youth that has caused problems for both the Leisure Centre and Willow Brook Centre as recently signed an Acceptable Behaviour Contract (ABC)

## Safe Haven

A Safe haven is a place for adults with learning difficulty who travel independently to go if something goes wrong.

It's a place where someone will find support and assistance. A place where they will be:

Listened to, reassured, enabled to contact someone and offered a safe place to stay while they wait for someone to meet them.

The Safe Haven in Bradley Stoke is currently the Bradley Stoke Leisure Centre.

For further information please contact one of the PCSO's on the numbers below.
