

**JUBILEE GREEN
COMMUNITY EVENTS DAY
BRADLEY STOKE**

Monday 16th February from 2 to 7pm

We're making a start on the park! On Monday of half term there's a day of events on the Green and in the Jubilee Centre, so come along and get involved.

PLANTING

We'd like families and residents to help with planting trees and wildflowers. **WARNING!** You will get muddy!

YOUTH SPACE

The Youth Space / Shelter isn't designed yet—because we want you to do that! Your chance to design and build something unique that suits your needs.

FOOD!

We're looking for residents to donate recipes for the Youth Club to bake on the day. Cakes, muffins, flapjacks, sausage rolls... What's your favourite? E-mail recipes to Alison.brown@southglos.gov.uk so that the Youth Club can compile a shopping list. Then come along and taste the results!

FRIENDS GROUP

If you'd like to have a say in how the park develops in the future, or if you have ideas for events or fund-raising, then you might like to help set up the new Friends of the Green Group. Get your name on the list on the day.

CRAFT

The trees won't have any leaves yet, so we're going to make decorations to cheer them up with a tree dressing event, after they're planted. A great activity for young children and their families.

For more information, contact Alison Brown at South Gloucestershire Council. Tel: 01454 865157 or e-mail Alison.brown@southglos.gov.uk
