

23rd February 2016

Dear Sir/Madam,

I would like to introduce myself to you, my name is Carys Gwilym, and I work as a Community Liaison Officer for Alun Griffiths (Contractors) Ltd. Alun Griffiths Contractors (Ltd) have been appointed by South Gloucestershire Council as the principal contractor on the project. My role is to be a point of contact for you during construction of the North Fringe to Hengrove Package, which forms part of the MetroBus scheme. The overall scheme will provide a cross-city public transport connection between the North and East Fringes of Bristol, through the City Centre and South Bristol via Bedminster to Hengrove Park. As well as reducing congestion and enhancing public transport links in the area, the route will play a key role in supporting future economic development in the North Fringe area.

Furthermore, I am writing to inform you that there will be Traffic Management in place on Bradley Stoke Way between Patchway Brook and Savages Wood from Thursday 25th February 2016. The Traffic Management will consist of;

- Narrow lanes to be implemented from Patchway Brook roundabout to Savages Wood roundabout, however maintaining 2 way traffic at all times.
- The bus lane west of the Savages Wood roundabout to be closed, however bus access to the Willow Brook Centre from Bradley Stoke Way to be maintained.
- Some localised footway diversions will be required, but crossings will be maintained or alternative crossings provided and signposted.

We will be endeavouring to work as safely and considerately as possible. Should you have any questions or concerns, please do not hesitate to contact me on **0845 86 22 327**, between 8am and 6pm Monday to Saturday, outside these hours please leave a message and I will come back to you as soon as possible. Alternatively you can email me at metrobus@alungriffiths.co.uk

Yours Faithfully,
