Dear Resident

**Metrobus Works Bradley Stoke Way - Weekend Working**

Having received the relevant permission from the local authority to work weekends and as a consequence of reduced natural daylight following the clocks going back, we will be utilising the weekends from now until Christmas for additional work.

This will ONLY be in the works area between Aztec West and Patchway Brook Roundabouts and ONLY between the hours of **8am to 5pm**. This shall enable us to make greater progress in this area.

Apologies for any disruption caused throughout this period and thank you in advance for your continued patience, cooperation and assistance.

Should you have any questions or concerns relating to the works, please do not hesitate to contact me on 0845 **86 22 327**, if I miss your call please leave a message and I shall action your call. Alternatively, you can email me at [metrobus@alungriffiths.co.uk](mailto:metrobus@alungriffiths.co.uk). The Travelwest web site has more information on the project [www.metrobusbuild.info](http://www.metrobusbuild.info).

Yours faithfully,

Jim Aitken
